

A collection of three modern, angular, metallic-looking chairs or stools. The central piece is the largest, featuring a high, sculptural backrest and a wide, flat seat. To its left is a smaller, similar chair with a slightly different backrest profile. To its right is another smaller chair, more compact and with a different base design. All three pieces share a minimalist, geometric aesthetic with sharp lines and a brushed metal finish.

- Colour: Hard Graphite
- ceramic headparts 1/2", 90°
- povrchová úprava GROHE Long-Life
- GROHE Water Saving 5.0 l/min flow limiter
- nízka výtoková rúrka s integrovaným perlátorom
- pop-up waste set 1 1/4"
- pressure-proof flexible connection hoses between spout and side valves
- min. recommended pressure 1.0 bar
